### ***This book is for you!***

*This book is aimed to assist you and hold your hand throughout Units 1 & 2 VCE Music Performance. Essentially, if you learn everything in this book, you'll not only be on your way to becoming a fantabulous musician - you'll also be ready to tackle Units 3 & 4.*

*You might be new to music theory and still have more questions or maybe you're a seasoned professional who could memorise entire scores at the age of three. Whatever your musical background, work through the exercises on a regular basis to get the most out of the course.*

*Big thanks to Sonny for writing 'Montuno Mojo' and some of the melodic exercises. Also to Jo Laurance/Muhrer. To Andrew Chua for the keyboard pics - thanks bro! Thanks also to VCAA and the numerous teachers who support this resource.*
